Spanish Immersion with Ms. Gaby

Children will be immersed in the Spanish language spoken throughout the class time. Students will expand their vocabulary as they learn songs, play games, and participate in classroom activities in Spanish. (1/31 to 3/7)

Stories Off the Page with Ms. Beth

Join Ms. Beth after school as we explore a new book each week through movement, yoga & dance. This literary journey will include an author & illustrator discussion. We will create our own pages each week & students will have a book to take home at the end of our 6 weeks together. (2/1 to 3/8)

Limited to 6 children per class—open to students in the Helping Hands
