ART EXPRESSIONS with Ms. Marcia

(Limited to 4 children per day – ages 4-5)

Offered 2 days either Mon/Tue or Wed/Thurs

Children will have the opportunity to develop and explore their creative energy through art. Each week brings a new project and new materials to inspire the process. The completion of each term is celebrated at our Art Show where the young artists present their work with amazing pride, confidence and accomplishment.

BOOKS AND BEYOND with Ms. Morgann

(Limited to 7 children per class – ages 3-5)

Offered Mondays

Books come to life through dramatization, visuals, and movement. Each child will have the opportunity to act, draw, and engage with books in a meaningful way! Early literacy will be promoted through vocabulary expansion, concepts of print, rhymes and letter recognition.

SPANISH IMMERSION with Ms. Hilda

(Limited to 7 children per class – min age 30 months)

Offered Monday, Tuesday, Wednesday or Thursday

Children will be provided the opportunity to be immersed in the Spanish language one or more days a week. Children will sing songs, play active games and share in art experiences as they hear Spanish spoken throughout the class time.

KIDS YOGA with Ms. Beth (certified instructor)

(Limited to 7 children per class – ages 3-5)

Offered Wednesdays

Children will move their bodies through poses and games. Stories and songs will be shared about different themes each week: nature, animals, seasons, kindness, gratitude, and more. They'll explore their breath, talk about shapes that give us energy and learn techniques that calm us down. Class content will be created by the creative input of the students, as they are the wisest teachers. **Children must be fully potty trained to participate.*

COOKING CLUB with Ms. Susan & Ms. Alyssa

(Limited to 7 children per class – ages 3-5)

Offered Fridays (Runs for six weeks)

Little chefs will learn about cooking and baking techniques, measurement, kitchen safety, and table manners. Delicious and nutritious creations will be made at each meeting.

CURIOS KIDS (S.T.E.A.M*) with Ms. Jackie & Ms. Susan

(Limited to 8 children per class – ages 4 and 5)

Offered one day a week on either Tuesday or Thursday

Children will participate in hands-on (sometimes messy!) scientific inquiry through building, cooking, the arts and more. As young explorers, children will have opportunities to predict, observe, experiment, and draw conclusions while having fun through collaborative learning.

*S.T.E.A.M (Science, Technology, Engineering, Art & Math)
