TRINITY PRESCHOOL

Connecting, Growing, Serving and Celebrating For Over 50 years

We believe:

- Each child is capable, engaged as a researcher, takes initiative, and represents knowledge in a variety of ways.
- Children learn best through play; and through play, children grow physically, socially, emotionally, spiritually, and intellectually.
- We are loved by God.
- When we know we are loved for who we are, we grow in gratitude, compassion, empathy, and acceptance for ourselves, our families, and our community.
